### Thank You!

Thank you so very much to everyone who supported the Children and Youth with their camps. They were truly blessed by your generosity through your financial support, prayers, cards, gift bags, and encouragement. While it is hard to quantify exactly how their lives were impacted, here are a few examples of how they were blessed: one young lady accepted Christ as her Lord and Savior, blown away that so many wrote them cards and care, several won Bible drills, many dove into the Bible, many amazed by God's love for them, and many challenged to live for God. There was even a case of two of our kids debating with each other about whose mom makes better biscuits and gravy. Once again, thank you all so much for all your help investing in the 27 lives that went to camps these past two weeks.
