Shine Kid's Ministry

New things are happening in Shine Kids Ministry

The kids are working on earning stamps on their rewards card to use toward picking treats from the treasure box. They are also working together to earn a pizza and pajama night. Kids can earn stamps by memorizing verses, bringing their Bibles, completing kids' sermon notes, and so much more.

Quarterly Missions Projects

Each quarter we will be collecting for a specific mission project. For the months of September and October we are collecting athletic pants, leggings, and underwear for Clarkson Family Resource Center. The Clarkson FRC helps serve the 625 students at Clarkson Elementary School.

For more information about our Shine Kid's Ministry please see Angela.

Empowered Youth Ministry

Youth Lock-In

On Friday, November 17th beginning at 8:00pm there will be a youth lock-in at CBC. This will be a wonderful night of fellowship, food, and fun for our youth. Some of the things they will be doing are laser tag, nerf games, a movie, and of course pizza. Adult volunteers are needed. Please see Dots if you can help.

September Business Meeting

Business meeting on September 24, 2023, after the worship service in the sanctuary. Decision and updates are made about God's church that we have the privileged of being members. Love to have you with us.

Attention Ministry Leaders

It is budget time. You will be receiving a budget request for your ministry either by hand or via email from Linda Williams. The deadline is October 1st. If you have any questions, please see Linda. Thank you for all you do.

Candy Needed

We have 3 upcoming community events and need candy donations. Our next event is the Honeyfest Parade on September 30th.

Please Prayerfully Consider Serving

We have an opportunity for you to help us serve in different areas of our church to help further God's Kingdom here in Grayson County and beyond. These areas are vital as more and more people are looking for a church home first through social media and our website. We utilize easy programs to help run all these aspects of Clarkson Baptist. First is **running media or sound during our worship service**. It is literally pushing buttons or sliding a controller. In addition, we need creative help with **keeping our website updated**. If you are interested, have questions, and our would like to take advantage of this opportunity to serve, please contact Jason via text and or phone call at 270-307-2192. Can't wait to get you started!
